India Harley Estate: Yellow Honey

Expected: 17/01/2027

Generated: 11/11/2026

Harley Estate, in the Manjarabad hills of Karnataka, has been farmed by the same family since 1864 and grows its arabica under a native forest canopy in the Western Ghats. This yellow honey (pulped, then sun-dried with part of its fruit mucilage still on the bean) blends...
